1 person has recommended Larissa Maria

"Larissa has worked as an analyst for ItauBBA at the IPO of Banco ABC Brasil. She got involved in the whole process, from the preparation of documents to the pricing of the deal, including valuation, management presentation, roadshow assistance, etc. Larissa made a terrific job. She was very dedicated, engaged, and consistent. She was always creative, bringing good ideas and suggestions, and had an outstanding capacity in implementing these ideas. Overall, her participation added a lot of value to the process."
